# Our Homewood-Flossmoor High School Athlete Protection Program Continues!

Pictured here are members of the H-F Field Hockey Team with the custom guards they received for FREE from CDE. These players report being surprised at how much more comfortable their custom guards are than the “boil & bite” version, so they wear them faithfully, as they should. 56% of concussions are suffered when mouth guards aren’t worn!

Do you know an H-F H.S. Athlete who should wear a Custom Mouth Guard? Send them our way! **708.798.1234**
