## YOU are part of our CDE Family!

### What does that mean?

It means:

- We care about YOU; your health, happiness and those who matter to you
- We will do our best to educate you, helping you understand the connection between your dental health and your overall health and happiness
- We will educate ourselves continuously to comfortably provide you with the most up-to-date treatment and technology available
- We will be happy to see you and hear about what's new since the last time you visited
- We are grateful to count you as one of our own and welcome the opportunity to take the same great care of your friends & family
- It also means . . . we'll share family photos with you and brag about our Grandkids!
