A NEW YOU IN '22!

Have you been putting off dental treatment? Make your healthy smile a priority in 2022. The longer you put off addressing dental problems, the more difficult and expensive they will be to fix.

Here's what one of our patients had to say after her Smile Makeover: "I feel younger. I feel great about myself, as my self-confidence has improved. It's given me a second chance to be that person I've always wanted to be!"

Remember, your CDE Team now includes an Oral Surgeon, Orthodontist, Periodontist, Endodontist, Pediatric Specialist, General Dentists, AND Hygienists, so we can take care of all of your dental needs right here without referring you out.

Do you want to learn more about your dental options? Request a copy of our doctors' book by calling us at 708-798-1234. For you - it's free!

Toys for Tots at CDE

Your CDE Team had a great time collecting Toys for Tots this year, helping Flossmoor donate a record-breaking number of toys in one day. There were so many toys that the Marines who came to pick them up, couldn't fit them all in their vehicle!

Flossmoor's Recyclepalooza

Flossey, Darlyne & Lori participated in the Village of Flossmoor's Recyclepalooza by collecting used oral care products to reduce plastic waste in our landfills. Stop by any time to recycle your toothbrushes, toothpaste tubes, floss containers, & more!

THANK YOU FOR ALL YOUR REFERRALS. WE APPRECIATE THEM!

CDE Appreciation

Marvelous Assistant Miranda

An appreciative patient showered Miranda & Dr. Malone with flowers after they provided her with their signature treatment – always going above and beyond!

Ms. B & Reina, our 'Rei' of Sunshine

Our patients go above and beyond for us too, by sharing their CDE love on social media and sending us lots of New Patients!

Know anyone who needs a new Dentist?

Refer any adult 21 years and older to our practice and when they mention **your name**, YOU will earn a \$20 Amazon Gift Card! Keep spreading your CDE Love and you will keep earning Gift Cards! We need and appreciate your support!

Keep your smile bright

With these 3 easy steps

No two people are the same, but one thing is for certain: everyone needs an effective oral home care plan! Hone yours with these 3 easy steps:

1. Brush twice a day with fluoride toothpaste.
2. Eat a healthy diet & moderate your sugar intake.
3. Clean between teeth daily by flossing.

Dr. Malone

Tip number three is especially key: flossing daily is essential. Flossing removes plaque bacteria on one-third of tooth surfaces that your toothbrush can't reach. What you miss will harden into tartar, the leading cause of gum disease.

Thankfully, with a simple home care routine and regular dental appointments, you can achieve a stunning, healthy smile.
